Remarks

This home has ample space! Four bedrooms, two bathrooms, spacious kitchen with modern stainless-steel appliances, dining room and living room. Relax on the covered front porch or set up outdoor furniture in the backyard. This property features a paved driveway and two car garage. Perineal plants line the back of the yard and the side and front of the home. Enjoy fresh apples every autumn from your property. Outdoor recreation will find you on the ATV trail and close to the snowmobile trails. The public boat launch is less than 1/2 a mile away and you are within walking distance to nearby stores and restaurants. Give us a call to set up a showing for this property.
